Beginning April 1st, Church Under the Bridge moves back to the Mission House

A new service offered at CUTB: A Massage Therapist from Crossroads Christian Church...a real blessing for aching necks and shoulders! This service will be offered as available.

Kelly Stumpf is our new "Sergeant" working with Patricia on making the clothes table an organized way for everyone to get what they need. In the new system, men and women's clothes will be separated. Only 10 people will be allowed to go through the line at a time. Persons can get only 6 items the first go around. After everyone has gone through once, then anyone can go through a second time and take what they want.

## Kudos!

Many thanks to Great Harvest Bread for furnishing us bags of delicious bread for sandwiches which are given out in a lunch bag to go with each person in need. Great Harvest has been so faithful to do this every Sunday for the past three years.

To all the volunteers and sponsoring churches...

**Thank You!**

Without your time, energy and prayers, the mission of Church Under The Bridge would not be possible.
